

# Be part of our dream.

Organic rice fields.  
Retreat center. Fruit orchards.  
Peace. Well-being. Refuge. Home.

**We have the opportunity to buy 6 rai (about 2.5 acres) of land just outside the village where our training center is located. On this land we will cultivate organic rice for the center and build small retreat houses, a meditation hall and library for private and group meditation retreats.**

**We have raised half of the \$60,000 (1.8 million baht) we need to buy and develop the land. We are seeking donations from our community, friends and allies, in any amount, to help raise the rest.**

**Please contact us if you are able to contribute. Thank you for your support in all its many forms. We look forward to hearing from you.**
